Domestic Edison Co. Customers Get Rate Benefit

Southern California Edison Company Ltd. has been authorized by the Railroad Commission to institute revised rates for domestic, commercial and agricultural power service effective June 1, 1946. The effect of the revision will reduce the Utility's annual revenues by approximately \$1,000,083. Of this sum, domestic customers will benefit to the extent of \$537,000, commercial customers will produce \$482,000 less than heretofore, and agricultural rates will be reduced \$64,000.

Improvements have been made in rate schedules to more nearly reflect costs of service. Minimum use customers may enjoy reduction up to a maximum of 15c per month. Customers using more than 50 kw monthly will enjoy reductions varying from a few cents a month to several dollars depending upon the amount of usage and the locality. A limited number of customers in the 14 to 50 kw use bracket may experience some relatively small increases on an annual basis, in no event exceeding 10c per month.

Appreciable increases in costs of operation have been more than offset by reduction in Federal taxes resulting in a more favorable earning position which, coupled with the sustained increase in sales, makes this substantial reduction possible.

For complete satisfaction, order your business, professional, or personal cards from us. Phone Torrance 444.

Tartar Seniors And Juniors Stage Annual Brawl

Mud flew and water splashed over the high school athletic field as the seniors triumphed over the juniors in the Tartar Tournament June 3. Junior and senior boys, dressed in swimming trunks and overalls, battled for the victor's title.

A hard-fought pillow fight was the first event. The next sport was a bicycle relay race. There were several slip-ups which threw riders from both classes from the bicycles, but the junior class came through victorious. They also took first in the fast and furious wheel barrow relay race, in which the boys took turns riding and pushing.

The tug-of-war proved to be very muddy and wet for both classes. The boys were divided on each side of the rope with the water-hole in the center between them. The high-and-mighty seniors proved their strength by pulling their opponents into the water two out of three times. The victorious and proud seniors carried away the championship with the pillow fight, tug-of-war, and ball game to their credit against the bicycle and wheelbarrow races won by the juniors.

LIGHT LEAKS

An effective method of spotting light leaks in a camera is to flash a battery powered penlight in the case.

No Shortage Of Meat On July 4, Says Caterer

There may be a shortage of meat, but the thousands who attended the Fourth of July Jubilee and "Veterans Welcome Home" celebration from July 3 to July 7 will have plenty to eat.

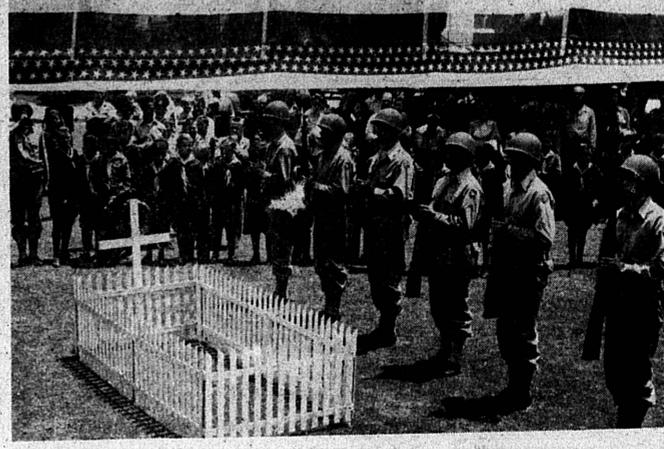

So says Ray Morrow, who owns extensive ranges and cattle, and who has been granted a concession by Torrance Area Projects, Inc., through the Torrance Lions club to stage a mammoth barbecue in Torrance. Entire net proceeds will go to Lions club charity, it was pointed out.

Morrow, who has served as many as 5000 persons at one meal, still will be in Torrance a week in advance of the opening of the celebration to prepare the pit for barbecuing the meat, which he will supply from his own ranch.

A barbecue plate consisting of meat, beans, salad, bread and coffee will be served for a dollar, and sandwiches go for 35 cents, according to C. Z. Ward, chairman of the Lions barbecue concession committee.

While meals will be served throughout the celebration, one big night is planned for Saturday night, following the air show and prior to and during the big Veterans Dance, it was said.

TORRANCE REMEMBERS ITS DEPARTED... Gathered on the ground of El Prado park dedicated last year to the memory of those veterans who gave their lives to the cause of Liberty were the following participants in the Memorial day ceremony: Top photo, left to right, Captain John F. Melanic, general chairman; J. G. Caldwell, director Torrance Area Veterans Service Center; James B. West, regional director of the Moose lodge who was principal speaker; Mrs. L. N. Brooks, Gold Star Mother; Mrs. Allie Mae West, Gold Star Mother; the Rev. Father P. J. McGuinness, who gave the invocation and who is shown calling the roll call of the departed veterans; Harry B. Lewis, junior vice commander of the Veterans of Foreign Wars, master of ceremonies; Mrs. Meble Weigand, VFW Auxiliary president; Mrs. Ruth Buth, Navy Mothers president; Commander C. Earl Conner, V.F.W.; and Clifford E. Totten, American Legion. Lower photo, California State Guard bugler, extreme left, and State Guard firing party, complete the Memorial day ceremony at the spot dedicated to the memory of departed veterans of Torrance, with sounding of taps following firing of three volleys. (Torrance Herald photo).

Sentiment Of Vote Favors Local School Control

(Continued from Page 1-A)
failed to show the needed result. People of these precincts, when fully informed of the benefits of formation of the Torrance school district and assumption of control of the schools by Torrance will doubtless favor the charter movement, it was said.

McCallums At Rotary Parley
